What to expect?

During SHAC Powder Horn, we “learn by doing”, with expert consultants who demonstrate the skills and explain where resources, such as equipment, facilities, guides, instructors, and certifications can be obtained. You will sample the activities yourself so you will know how much fun your unit will be able to have. We recruit an all-star staff of experienced Scouters and experts from all over the area to guide you through the adventure! Then we help you bring ideas back to your unit with resources and an online community of knowledgeable Scouters to offer advice and answer questions.

It is fun with a purpose!

Gain hands-on experience, network with your fellow Scouters, and share experiences to strengthen your program and deliver on the promise of Scouting.

Producing a quality outdoor program that will keep your Scouts engaged is an ongoing challenge. SHAC Powder Horn is your premier source for all of this and so much more.
